3. Personal Data We Collect

We collect personal data in two main contexts:

3.1 Requesting a Free Call

When you submit a request for a free call, we may collect:

- Email address
 - Any information voluntarily provided in the request
-

3.2 Company Creation Portal

When you use our company creation or onboarding portal, we may collect:

- Full name

- Email address and contact details
- Company-related information
- Identification and verification data (where required)
- Financial or tax-related information (if necessary for the service)
- Any additional data required to provide incorporation or related services

Important: Depending on the service, this may include sensitive or regulated data. We process such data only where strictly necessary and in compliance with applicable laws.

4. Purpose of Processing

We process your personal data for the following purposes:

Lead Handling

- Responding to your request for a call
- Contacting you regarding your inquiry

Service Delivery

- Providing company formation and related services
- Managing your account and onboarding process
- Complying with legal, regulatory, and compliance obligations (including KYC, AML where applicable)

Communication

- Providing updates related to your request or service

We do not use your data for unrelated marketing without explicit consent.

5. Legal Basis for Processing

We rely on the following legal bases:

- **Consent**
For contacting you after submitting a request form
- **Contractual necessity**
For processing data required to provide our services

- **Legal obligation**

For compliance with applicable laws and regulations (e.g. tax, anti-money laundering, corporate compliance)

6. Data Retention

We retain personal data:

- For lead requests, only as long as necessary to respond and follow up
- For clients, for the duration of the service relationship and as required by applicable laws

Legal and regulatory requirements may require retention for several years after service completion.

7. Data Sharing and Disclosure

We do not sell your personal data.

We may share your data with:

- Professional advisors (e.g. legal, tax, compliance)
- Government authorities, registries, or regulators where required
- Service providers and processors assisting in delivering our services
- IT and hosting providers

All third parties are contractually bound to process data securely and lawfully.

8. International Data Transfers

Where personal data is transferred outside the European Economic Area (EEA), we ensure appropriate safeguards, including:

- Standard Contractual Clauses approved by the European Commission
 - Transfers to jurisdictions with adequate protection decisions
-

9. Data Security

We implement appropriate technical and organizational measures to safeguard your data, including:

- Secure storage systems
- Access controls
- Data minimization principles

However, no system is completely secure, and transmission over the internet carries inherent risks.

10. Your Rights

You have the right to:

- Access your personal data
- Request correction or deletion
- Restrict or object to processing
- Withdraw consent at any time
- Request data portability (where applicable)
- Lodge a complaint with a supervisory authority

Requests can be made via: info@gmapgroup.net

11. Cookies and Tracking

At present, Fiscalio does not use cookies or tracking technologies in connection with the data collection processes described above.

If this changes, this Privacy Policy will be updated accordingly.

12. Changes to This Policy

We reserve the right to update this Privacy Policy at any time. Updates will be published on this page with a revised effective date.
